**MILDRED PIERCE** (2011)

**THE LEFTOVERS** (2014)

**THE BOURNE LEGACY** (2012)

**THE ADJUSTMENT BUREAU** (2010)

**BIRDMAN** (2014)

**MADE IN JERSEY** (2012)

**A SERIOUS MAN** (2009)

Lead Graphic Designer in charge of providing the graphic assets featured in major motion pictures. Conceptualized and developed sophisticated environmental graphic design solutions for a diverse variety of projects and applications. Worked closely with multiple design leads and draftsmen to build cohesive visions within a highly collaborative and fast paced workplace. Adept at managing the schedules, materials, and budgets for multiple projects while employing an extreme attention to detail. Provided clear, concise written and verbal communications to client, design team and suppliers — from strategy and concept presentations to team guidance and instruction. Skilled business liaison with vendors and manufactures, securing work and ensuring that the final product was delivered as intended.
